WARRIORS OF VALHALLA

CANE CORSO KENNELS LLC

Puppy Purchase Agreement

The following agreement is between the Seller, Warriors of Valhalla Cane Corso Kennels LLC, and _____, hereafter referred to as “Purchaser/Buyer” for the sale and purchase of one purebred dog of the Cane Corso breed. The total amount paid for the dog is $ _____, of which five hundred dollars is a non-refundable deposit. The Seller transfers in fee all the responsibilities and privileges associated with owning a dog of the Cane Corso breed (_____ breeding rights) to the Buyer as of the date specified below. This represents the entire agreement between Seller and Buyer in an outright sale.

Use of the dog:

It is agreed between the Seller and Buyer that this canine is being purchased as a family companion or for tasks suited to its breed, such as therapy work, search and rescue, herding, or participation in AKC conformation and performance events. We agree that the dog is not purchased for resale, nor will it be used or trained for activities that are illegal or for which it is not suited by reason, temperament, or conformation. Specifically, it will not be used to fight other animals. Buyer initials: _____

Health:

The Seller guarantees that the dog is in a healthy condition and free from any illness at the time of sale. The Seller provides a 3-year health guarantee in the event that the dog has any genetic disease or moderate to severe hip dysplasia that is not caused by the owner’s negligence and is sufficiently serious, as determined after examination by two licensed veterinarians, one selected by the Breeder. The Seller agrees to: 1. Replace the dog with one of equivalent quality from the first litter bred by the Seller; or, at the Seller’s option, 2. Refund the amount paid, minus the non-refundable deposit. Should your pet develop cherry eye, the Seller agrees to cover $200 of the expense to correct the cherry eye. Should the Buyer elect to have the Seller facilitate the puppy’s ear cropping, the Breeder is not responsible for ensuring that the dog’s ears stand appropriately, as the Buyer is responsible for posting and massaging the ears to ensure they are erect. The Buyer understands that every dog is different and that they may be required to post the puppy’s ears for up to 6 months. The Breeder strongly encourages the Purchaser to have the dog seen by a veterinarian of the Purchaser’s choice within 1 week of picking up the dog. Please note that refunds of any monies given to the Seller are at the Seller’s discretion, aside from any serious health conditions that may arise within 3 years of taking ownership of your pet. Spaying & Neutering:

Should the Purchaser choose to spay/neuter the dog, the dog should NOT be spayed/neutered any earlier than 24 months of age. Please note that doing so before 24 months of age voids all health guarantees. The Breeder does not require the Buyer to have this procedure done. However, this does not give all buyers breeding rights unless stated above. Buyer initials: _____

Registration:

The Breeder certifies that the dog is eligible for registration under the regulations of the American Kennel Club and International Cane Corso Federation as a purebred Cane Corso and will provide the proper forms for such registration. The Breeder reserves the right to affix the kennel name “Warriors of Valhalla’s” in the registry name for the dog. If the dog is purchased as a pet, limited registration and co-ownership will be provided. Buyer initials: _____

Ownership Responsibilities:

The Buyer agrees to keep the dog in a humane environment where the new owner would properly train and care for it. The dog will be properly registered and vaccinated against infectious diseases as recommended by a certified veterinarian. The dog will only be allowed to roam in a safely fenced yard. The dog will receive proper socialization and training. The Breeder waives any liability for the actions of the dog for improper training or socialization. Buyer initials: ____

“Show Quality” Dogs:

The Breeder will use their best judgment and the advice of other fanciers in evaluating the puppies as to show or pet quality. There is no guarantee that a puppy evaluated as “show quality” will be successful in the show ring as an adult, and no warranties are made to that effect. Buyer initials: _____

Right of Recovery/Placement:

If the Buyer is not able to keep the dog or provide a suitable home as per this contract, the dog will be returned to the Breeder. The Buyer agrees to notify the Seller if any problem or situational change arises and will not leave the dog in a shelter, sell the dog, or give the dog away. If the Seller finds out that the dog has been sold or given away without being informed by the Buyer, the Seller will take legal action, and the Buyer who signed this contract will be held responsible for all legal expenses incurred.
